UAB

VIVA UAB Guidebook 2026

Dear UAB Employee,

At VIVA HEALTH, we are proud to provide UAB employees and their families with comprehensive health insurance benefits, outstanding value, and knowledgeable providers. Since 1995, we have grown to be one of the largest health plans in the state of Alabama, and the largest health plan for UAB employees. We believe this is a direct result of listening to our members and ensuring we deliver high quality, convenient care when it is needed most.

The network for Viva UAB members continues to grow! In 2025, it was announced that as a member of Viva UAB you now had access to the facilities and providers at UAB St. Vincent's. That was in addition to the access you had to the providers and facilities at the the world-renowned UAB Health System, including UAB Medical West, for primary care, OB/GYN, and other health care services. As always, Viva UAB members under the age of 18 have access to VIVA HEALTH's entire pediatric network. For 2026, you still have access to all of these great providers, but you will also have access to the newly built facilities at Cooper Green Mercy Health. Please keep in mind that Viva UAB members are not required to obtain a PCP referral to see participating OB/GYNs at UAB or Medical West for vision, podiatry, pain management, or allergy & immunology providers.

Viva UAB will continue to cover preventive services at 100%. For a detailed list of the preventive services covered at no charge, please refer to the supplemental wellness benefits bulletin included in this guidebook. In addition, Viva UAB will cover certain smoking cessation drugs and products at 100% to support the UAB Wellness smoking cessation initiative.

If you are a current Viva UAB member, we hope you decide to continue with our plan. If you will be enrolling with Viva UAB for the first time, please remember to choose a Primary Care Physician (PCP). You can view PCPs that participate with the plan by going to VivaHealth.com/UAB. Simply click provider search on the left, choose the Viva UAB plan on the drop down, and then search for family practice, general medicine, or internal medicine providers.

If you have any questions, we invite you to contact our customer service department Monday through Friday from 8 AM to 5 PM at (205) 558-7474, toll-free at (800) 294-7780 (TTY 711), or by email at VivaMemberHelp@UABMC.edu. You will also find valuable information on our website at vivahealth.com/uab. You can also download the VIVA HEALTH Mobile App to view your claims status, view a digital ID card, and request electronic EOBs.

We look forward to caring for you in 2026.

Sincerely,

A handwritten signature in black ink that reads "Brad Rollow".

Worldwide Emergency and Urgent Care Coverage

If you are outside the service area and have an urgent and unforeseen need for care that can't wait until you return home, you are covered. This includes care in a physician's office for an unexpected illness or injury that would not be classified as an emergency, but does require immediate attention. Care in an emergency room is only covered for treatment of emergency medical conditions. Of course, this does not include routine or elective medical services, and you must return to the service area for any follow-up care. Still, if you're on a weekend trip or an extended vacation, you can relax knowing that you are covered.

OB/GYN Network

Viva UAB members must see providers at UAB St. Vincent's, Cooper Green Mercy Health Services, or UAB Medical West for OB/GYN related services. OB/GYN services outside of the UAB Health System network will not be covered. No referrals are required for OB/GYN services. Please refer to the website vivahealth.com/uab for a listing of OB/GYN providers for Viva UAB members.

Dependent Student Rider

Services to treat an illness or injury for Covered Dependents will be covered while they are full-time students at an accredited educational institution located out of the Service Area. These services are subject to the Copayments described herein and are available at a \$1,500 maximum benefit per calendar year. Emergencies and in-area care are covered under the appropriate sections set forth in the Certificate of Coverage.

Sabbatical Leave Rider

Sabbatical Leave is a period of paid leave granted to faculty members by the Employer to pursue professional development, a program of investigation, creative writing, artistry and the like. Services to treat an illness or injury for Subscribers and Covered Dependents on Sabbatical Leave will be covered while they are out of the Service Area, are subject to the Copayments described herein, and are available at a \$1,500 maximum benefit per calendar year.

Don't Forget...

- Adult members (age 18 and over) must select a UAB, UAB St. Vincent's, or Medical West doctor as their Primary Care Physician (PCP). When you need specialty care, your PCP will refer you to UAB Health System or UAB St. Vincent's provider (no referral required for OB/GYN, vision, podiatry, pain management, chiropractic, or allergy & immunology providers). When you need hospital care, you will be admitted to UAB St. Vincent's, Cooper Green Mercy Health Services, or UAB Medical West.
- All children (under age 18) enrolled in Viva UAB must select a pediatric doctor in the VIVA HEALTH network as their PCP.
- Female members enrolled in Viva UAB must choose an OB/GYN provider at UAB St. Vincent's, Cooper Green Mercy Health Services, or UAB Medical West.

Effective Dates: January 1, 2026 – December 31, 2026

Remember:

Emergency and urgent care coverage is available worldwide.

If you are outside the service area and have an urgent and unforeseen need for care that can't wait until you return home, you are covered. This includes care in a physician's office for an unexpected illness or injury that would not be classified as an emergency, but does require immediate attention. Care in an emergency room is only covered for treatment of emergency medical conditions. Of course, this does not include routine or elective medical services, and you must return to the service area for any follow-up care. Still, if you're on a weekend trip or extended vacation, you can relax knowing that you are covered.
